

Sports Eligibility Policy

Before Maranatha Christian School will allow any student to participate in school sporting events, the following procedures must be followed:

1. Students who wish to participate in athletic events are expected to keep up with their academic responsibilities.
2. Students must maintain passing grades in all subjects as well as an average of 70% or higher in all major subject to participate in athletic events.
3. Averages will be checked for compliance with the minimum requirements at mid-quarter and at the end of the quarter.
4. Students failing any classes or with an average below 70% in any major subject will be considered ineligible (may not play) for at least one (1) game.
5. Students are responsible to maintain their grades at the level specified above.

Teachers or administrative staff are not responsible to notify students of low grades.

6. Once ineligibility has been determined, a student may, by his own initiative, improve the quality of his work to the level specified above. However, even after a student improves his grade, he must still serve the minimum one-game suspension.

7. This policy will not apply to any fellowship games.

8. The staff may use discretion in working with students who struggle to reach this level but are trying their hardest.
